Blessed John Henry Newman on the Assumption*

#### MARY IS THE HOLY MOTHER OF GOD

As soon as we apprehend by faith the great fundamental truth that Mary is the Mother of God, other wonderful truths follow in its train; and one of these is that she was exempt from the ordinary lot of mortals, which is not only to die, but to become earth to earth, ashes to ashes, dust to dust. Die she must, and die she did, as her Divine Son died, for He was man; but various reasons have approved themselves to holy writers, why, although her body was for a while separated from her soul, and consigned to the tomb, yet it did not remain there, but was speedily united to her soul again, and raised by our Lord to a new and eternal life of heavenly glory.

And the most obvious reason for so concluding is this—that *other* servants of God have been raised from the grave by the power of God, and it is not to be supposed that our Lord would have granted any such privilege to any one else without also granting it to His own Mother.

We are told by St. Matthew, that after our Lord's death upon the Cross "*the graves were opened, and many bodies of the saints that had slept*" - that is, slept the sleep of death— "*arose, and coming out of the tombs after His Resurrection, came into the Holy City, and appeared to many.*" St. Matthew says, "*many bodies of the Saints*" - that is, the holy Prophets, Priests, and Kings of former times—rose again in anticipation of the last day.

Can we suppose that Abraham, or David, or Isaias, or Ezechias, should have been thus favoured, and not God's own Mother? Had she not a claim on the love of her Son to have what any others had? Was she not nearer to Him than the greatest of the Saints before her? And is it conceivable that the law of the grave should admit of relaxation in their case, and not in hers? Therefore we confidently say that our Lord, having preserved her from sin and the consequences of sin by His passion, lost no time in pouring out the full merits of that Passion upon her body as well as her soul.

#### MARY IS THE SINLESS MOTHER

Another consideration which has led devout minds to believe in the Assumption of our Lady into heaven after her death, without waiting for the general resurrection at the last day, is furnished by the doctrine of her Immaculate Conception. By her Immaculate Conception is meant, that not only did she never commit any sin whatever, even venial, in thought, word, or deed, but further than this, that the guilt of Adam, or what is called original sin, never was her guilt, as it is the guilt attaching to all other descendants of Adam.

By her Assumption is meant that not only her soul, but her body also, was taken up to heaven upon her death, so that there was no long period of her sleeping in the grave, as is the case with others, even great Saints, who wait for the last day for the resurrection of their bodies.

One reason for believing in our Lady's Assumption is that her Divine Son loved her too much to let her body remain in the grave. A second reason—that now before us—is this, that she was not only dear to our Lord as a mother is dear to a son, but also that she was so transcendently holy, so full, so overflowing with grace. Adam and Eve were created upright and sinless, and had a large measure of God's grace bestowed upon them; and, in consequence, their bodies would never have crumbled into dust, had they not sinned; upon which it was said to them, "*Dust thou art, and unto dust thou shalt return.*" If Eve, the beautiful daughter of God, never would have become dust and ashes unless she had sinned, shall we not say that Mary, having never sinned, retained the gift which Eve by sinning lost? What had Mary done to forfeit the privilege given to our first parents in the beginning? Was her comeliness to be turned into corruption, and her fine gold to become dim, without reason assigned? Impossible. Therefore, we believe that, though she died for a short hour, as did our Lord Himself, yet, like Him and by His Almighty power, she was raised again from the grave.

### MARY IS THE MYSTICAL ROSE

Mary is the most beautiful flower that ever was seen in the spiritual world. It is by the power of God's grace that from this barren and desolate earth there have ever sprung up at all flowers of holiness and glory. And Mary is the Queen of them. She is the Queen of spiritual flowers; and therefore

she is called the *Rose*, for the rose is fitly called of all flowers the most beautiful.

But moreover, she is the *Mystical*, or *hidden* rose; for mystical means hidden. How is she now "*hidden*" from us more than are other saints?

What means this singular appellation, which we apply to her specially? The answer to this question introduces us to a third reason for believing in the reunion of her sacred body to her soul, and its assumption into heaven soon after her death, instead of its lingering in the grave until the General Resurrection at the last day.

It is this:-if her body was not taken into heaven, where is it? How comes it that it is hidden from us? Why do we not hear of her tomb as being here or there? Why are not pilgrimages made to it? Why are not relics producible of her, as of the saints in general? Is it not even a natural instinct which makes us reverent towards the places where our dead are buried? We bury our great men honourably. St. Peter speaks of the sepulchre of David as known in his day, though he had died many hundred years before. When our Lord's body was taken down from the Cross, He was placed in an honourable tomb.

Such too had been the honour already paid to St. John Baptist, his tomb being spoken of by St. Mark as generally known. Christians from the earliest times went from other countries to Jerusalem to see the holy places. And, when the time of persecution was over, they paid still more attention to the bodies of the Saints, as of St. Stephen, St. Mark, St. Barnabas, St. Peter, St. Paul, and other Apostles and Martyrs. These were transported to great cities, and portions of them sent to this place or that. Thus, from the first to this day it had been a great feature and characteristic of the Church to be most tender and reverent towards the bodies of the Saints. Now, if there was any one who more than all would be precious taken care of, it would be our Lady. Why then do we hear nothing of the Blessed Virgin's body and its separate relics? Why is she thus the *hidden* Rose? Is it conceivable that they who had been so reverent and careful of the bodies of the Saints and Martyrs should neglect her—her who was the Queen of Martyrs and the Queen of Saints, who was the very Mother of our Lord? It is impossible. Why then is she thus the *hidden* Rose? Plainly because that sacred body is in heaven, not on earth.

### A DAILY PRAYER FROM MISSIONARY OBLATES OF MARY IMMACULATE

How busy my life is, Lord! I feel like I run all day long and never accomplish anything. Tedious tasks plague me and keep me from spending time in prayer or even enjoying my family. Help me to slow down and appreciate Your simple blessings. Teach me to be patient, to simplify my life and to relax. Amen.

**AUGUST 19  
FEAST OF ST. JOHN EUDES**

St. John Eudes was a French missionary and founder of the Eudists, the Congregation of Jesus and Mary. He was ordained in 1625 and gained a reputation as an outstanding preacher and confessor. He became famous as a missionary. In 1641 he founded the Sisters of Our Lady of Charity of the Refuge to provide a refuge for women of ill-fame who wished to do penance. He is probably best known for the central theme of his writings: Jesus as the source of holiness, Mary as the model of the Christian life.

*"Our wish, our object, our chief preoccupation must be to form Jesus in ourselves, to make His spirit, His devotion, His affections, His desires and His disposition live and reign there. All our religious exercises should be directed to this end. It is the work which God has given us to do unceasingly."*

### PRAYER FOR PRIESTS

Jesus, Eternal Priest, protect all our priests, Your servants, from all dangers and keep them safe in Your Sacred Heart. They are Yours and their life is offered in sacrifice at Your altar. Keep them pure of heart and aflame with the love of God and neighbor. Strengthen Your priests by living constantly in them, with them, and through them, especially in times of loneliness and afflictions, and when their life of sacrifice seems meaningless.

Bless all their labors with abundant fruit.

May they persevere in their vocation until the end.

Mary, our Blessed Mother, wrap them under your mantle and save them from all worldly distractions. May the souls to whom they minister be their joy and consolation in this world and in Heaven, their beautiful and everlasting crown. Amen
