

OUR LADY & MOTHER OF
Joyful Hope

PRAYER FOR PROTECTION FROM STORMS, TORNADOES, & ALL NATURAL DISASTERS

TO you, Our Lady of Joyful Hope, we pray. Even as the skies grow dark and heavy winds sweep across the earth, there is a light that can always be found, guiding us to safety.

You gave us your Son, our light and our guide, to walk with us through the valley of the shadow of death; for His light shines brightest on those in need of protection from all harm.

Through sadness, fear, or worry, we always have the Lord Jesus, our God, and you, His mother, at our side. If life brings forth fire, winds, flooding, or disasters of any kind, we pray that you, our Mother, will be with us to protect us from harm.

Now, as the days bring uncertainty and our fears creep in, we ask you, our Lady of Joyful Hope, to bring our family, friends, brothers, and sisters into your loving embrace. Help us to strip away our anxieties and worries, leaving behind only the peace and joy that our faith in God provides.

We surrender our wills to you, our Mother, and pray that your Son's will be done in and through us.

If we are in darkness, lead us to light. If we are sad, bring us hope and joy.

Pour out your love on all those in peril and in harm's way. Bring them peace and comfort as you protect them from tornadoes, hardships, and all storms. We ask for your strength and protection from all the difficulties, dangers, and disasters we face in this life, through Christ, our Lord.

Amen.
